Setting Sun Block - 12”

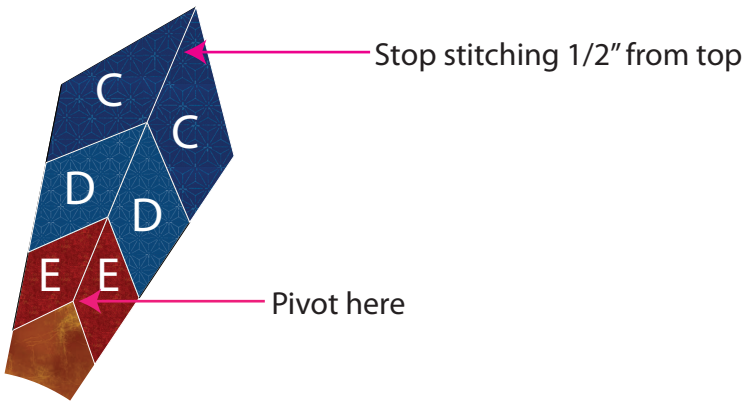

Create templates using plastic template material. Make one for each template located on the two template pages. For hand piecers, use the solid lines on the templates that represent sewing lines. For machine piecers, use the dotted lines on the templates that represent cutting lines. Mark and cut out all pieces for the blocks. Make sure to reverse each piece following directions on templates. Instructions are for one block. Make two blocks for quilt.

Sew strips as shown. Press seams in direction of arrows.
