For machine applique, trace the templates below onto the paper side of the Wonder-Under®. Separate the pieces leaving enough room to cut between them. Iron the Wonder-Under® to the wrong side of the fabric for the eyes, the nose, and the mouth. Cut out the applique pieces. Remove the paper and fuse into place on the block. Finish the edge with either a straight or zigzag stitch.

For hand applique, use the template below, add a scant seam allowance and stitch using a favorite applique method.
