Funky Fast Coasters
Skill Level: Beginner

Designed by Jackie White

These coasters are fast and fun. Make them simple or add embellishments to make them your own. Funky fast coasters are a great project to do with children and make great gifts.

Materials Needed : Set of 4

1/4 yard Wonder Under®
1/4 yard 70 Pellon® Peltex® Ultra-Firm Sew-In
Fabric Scraps
Embellishments such as yarn or ribbon

Tools Needed

Iron
Press Cloth
Rotary Cutter
Sewing Machine (optional)
Rotary Mat
Standard Sewing Supplies
Rotary Ruler

PERMISSION IS GIVEN TO REPRODUCE FOR PERSONAL USE ONLY ©2011 - PCP Group, LLC

Instructions

Step 1: Iron Wonder-Under®, according to manufacturers directions, onto back of fabric scraps (for fronts) and Four 4"x4" fabric squares (for backs). Let cool. Peel off paper backing.

Step 2: Cut 70 Peltex® Ultra Firm Sew-In into four 4"x4" squares. Tip: Color raw white edges with coordinating permanent marker, paint or ink. This will yield a more finished looking coaster.

Step 3: Create your own funky design out of fabric scraps and place web side down onto the 4" squares of Peltex®. Ensure that the entire square is covered with fabric. Extra fabric can hang over the square.

Step 3

Step 6

Step 4: Once covered, carefully place press cloth on fabric assembly. Fuse in place. Let cool then cut off any excess fabric.

Step 5: Take one 4"x4" piece of fused fabric and lay on back of the Peltex® web side down aligning edges. Fuse.

Step 6: Leave as is or embellish raw edges with decorative stitching or trim. Alternately, use a decorative rotary cutter to make a scalloped or wavy edge.
