Baste grass piece 1 along the outside edges and along the shared seam with path piece 2. Path piece 2 will be appliqued on the seam line for grass piece 1. Baste the outside edges of path piece 2.

Using a favorite applique method, applique pieces 2-6 following the order. The moon and cat may be stuffed, padded or just fabric. The bats may be appliqued or embroidered. If embroidered, they can be a simple outline or filled in with Long and Short Stitch or satin stitch. This design is ideal for the back basting method of applique. Detailed instructions for back-basting applique can be found on the designer's website: http://www.artbyalexa.com/Tutorials.html

After applique is complete, stitch the embroidery, using two strands black embroidery floss or or one strand black Floche. Use yellow to embroider the cat's eyes. Use black to embroider the sign, or complete the sign using a thin black marker.

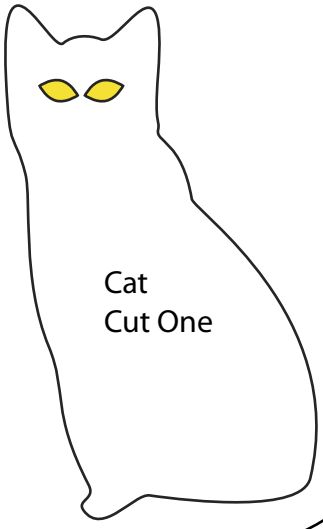

Press block lightly face down on a white towel to cushion applique.
