Box in corners 1 1/2". Turn bag right side out.

Sew Insul-Fleece™ to wrong side of lining piece using 1/8" seam allowance.

Stitch lining pieces right sides together on the sides and the bottom, leaving a 2" opening on the side for turning. Box corners on bottom of lining the same way as for the outer bag.

Handles - fold handle piece in half lengthwise, right sides together and stitch on the side and across the bottom. Turn handles right side out and fold the unfinished edge in 1/2" and stitch closed. Press and top stitch 3 rows of stitching on the handle.

Place outer bag inside lining, right sides together. Stitch around the top of the bag.

Turn bag right side out through opening in bag lining. Slip stitch opening closed and push lining into the bag.

Top stitch around the top edge of the bag 1/4" down from the top.

Fold each end of the handle up 1" and stitch to the sides of the bag with buttons.
