Layout for adult, child & buddy

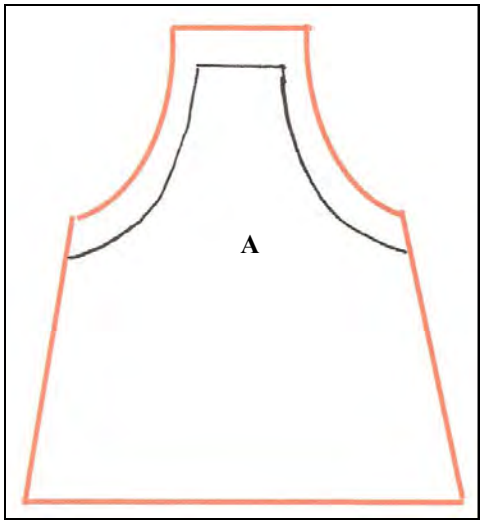

Pattern Letter	Adult Pattern	Child Pattern	Buddy Pattern
A - Apron	1	6	11
B - Large pocket	2	7	12
C - Bodice pocket	3	8	13
D - Neck tie	4	9	14
E - Waist tie	5	10	15

Apron Assembly

- All sizes are assembled the same.

Interfacing

- On your apron pattern A. trace out 2 1/2” from the top & arm edge as illustrated to the right.
  Trace a copy of the interfacing pattern on Grid. Cut 1 of Pellon® 950F Shir-Tailor® for apron lining Fabric 2. Fuse on back side of fabric according to product instructions. Do the same for all sizes.
- Cut 2 1/2” wide strips of Pellon® 950F Shir-Tailor® the width of the three pockets. Press Shir-Tailor® on the back side of pocket lining following product instructions.

Appliqué

- Trace appliqué designs (page 5) onto the paper of 805 Wonder-Under®. Do not cut out individual design but leave margin around design.
- For adult size use appropriate size heart and hands for the pockets.
- For child & Buddy size aprons use appropriate size heart appliqué designs.
- Press Wonder-Under®/design onto the wrong side of design fabric and press in place following the instructions on 805 Wonder-Under®.

Cut out designs, peel off paper, place on pocket and press in place as illustrated. Stitch around design with stitch of your choice.

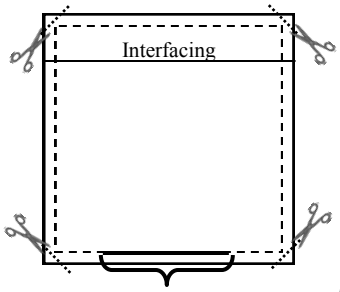

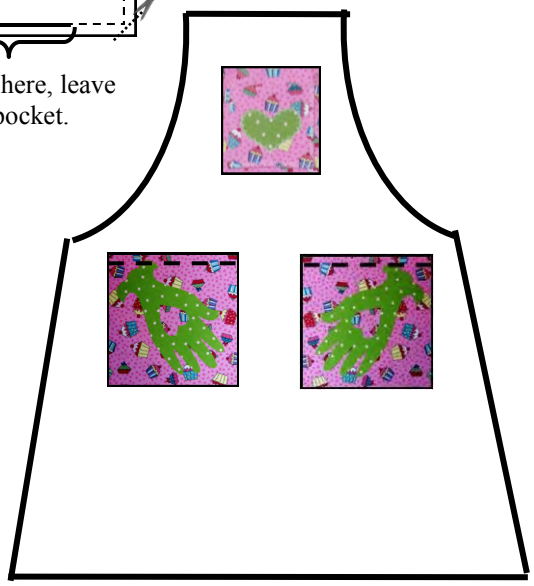

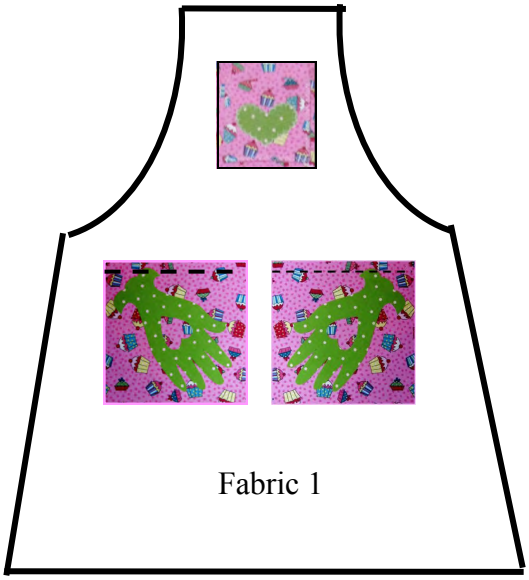

Pockets

- Pockets B & C are envelope lined. Place right sides together and stitch as illustrated to the right.
  Adult size aprons 1/2” seam allowance for pockets.
  Child & Little Buddy 1/4” seam allowance for pockets.
- Clip corners of pockets as illustrated so they turn nicely.
- Arrange pockets as illustrated on both Apron Fabric 1 & Apron Fabric 2. This makes the Apron, two for one, because it’s reversible.
- Stitch in place using your favorite machine decorative stitches.

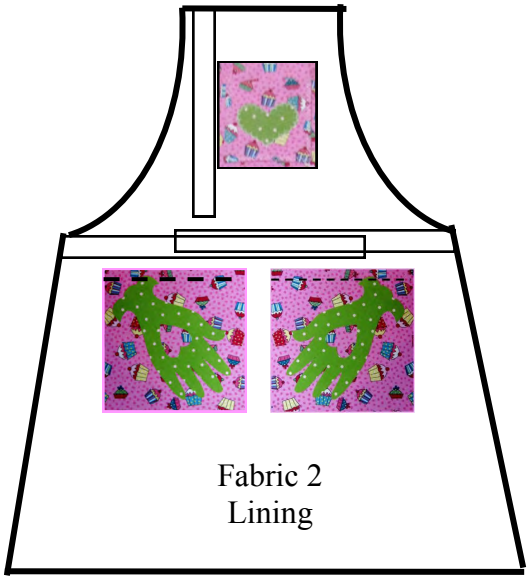

Do not stitch here, leave open to turn pocket.

Neck & Waist Tie

- On adult aprons, the ties are finished 2" wide. Take strips D & E, placing two fabrics right sides together and stitch together 1/2" seam allowance as illustrated. Leave one end open. Clip the corners, trim seam allowance and turn.
- The Child & Buddy apron straps finish 1" wide. Stitch as illustrated and trim seam allowance.
- A good way to turn the straps is using the eraser end of a long pencil. After turned, work out the points with pin or seam ripper, so they are nice & sharp.
- Arrange ties on Apron lining (Fabric 2) as illustrated with raw end lined up with raw edge of apron. Pin in place.
- Place the two aprons right sides together.
- Pin all around the outside edge of the apron.
- Stitch around all edges, leaving opening at bottom.
- Carefully clip corners as illustrated being sure to not cut stitches.
- Turn to right side through opening in bottom edge.
- Press well and stitch around outside edge of apron with decorative stitch.
- On loose end of neck tie, stitch one side of Velcro, stitch the other side to opposite side of top to make a loop.
